

# Detail Itinerary

Nepal is one of the exceptional location for all tourists. Nepal is for all seasons for trekking tour. Regarding the own family trekking tour in Nepal, there are many destination alternatives for trekking tour with kids (children). Pokhara, Ghandruk, and Chitwan Jungle Safari are the first class place for the family trekking tour in Nepal. Additionally, you can do Poon Hill Trek if you have more days. You may drive from Pokhara to till below Ghandruk then trek about an hour (same day). After Ghandruk, trek to Dhampus/Pokhara in next 2 days extra thru Landruk/Pothana. This trekking excursion offers you a large Annapurna mountain with marvelous landscape perspectives. It is much better to add (stay a night) at Australian Camp and if possible then includes Mohare Danda as well.

It is an important part to have an experience trekking guide or trekking team to make succeed family trekking in Nepal. We are family trekking tour operator specialist too. As we are a responsible and reliable trekking agency in Nepal, already organized several family trekking in Nepal in high Himalaya. We have a successful record of Annapurna Circuit trekking with kids. A kid was below 8 years when she had done Annapurna Circuit Trekking (Thorong Pass 5416 m). She did also Tilicho Lake Basecamp as well.

This own family trekking tour gives nature, the way of life and journey activities too. Ghandruk hiking, where you can get a danger to peer a dwelling village way of life of Nepal countryside. Ghandruk is the second biggest Gurung village in Nepal after Sikles. The Gurungs are an ethnic institution and they're famous for Gurkha Soldier within the global. you can see a museum in Ghandruk village by paying some rupees front fees. you may walk alongside farming land and thru nature splendor, forests inside the peace and calm surroundings in this circle of relatives hiking tour in Nepal.
