

# Detail Itinerary

One of the rainshadow regions trekking is **Upper Dolpo Trek** in Nepal Himalayan. The goal of the *Upper Dolpo Trekking* is to visiting "Shey Gomba" as well as Phoksundo Lake. Upper Dolpo Trek is not so touristy trekking in Nepal because of high entry fees. The permits require like [Upper Mustang Trekking](#). Upper Dolpo Trekking permit cost is the US \$ 500 for first 10 days per person per entry then after \$ 50 per day. And such way, you need lower Dolpo permit, it cost \$10 per week per person. As well as, you need to Phoksundo National Park fee \$35 per person per each entry. We can say to this trek Inner Dolpo Trek as well.

The lower Dolpo trek does not need the special permit which requires \$500 but you have to pay Phoksundo National Park fee so far. The [Lower Dolpo Trekking](#) steps forward to high passes are Baga La (5175m) and Numa La (5318m). Likewise, cross Kang La (5115m), Saldang La, (4785m), Cross Jeng La (4850m) for Upper Dolpo Trek.

You need to fly first to Nepalgunj then to Juphal taking a domestic flight with two different days. We can start trek to Dunai the same day you fly to Juphal.

Upper Dolpo trekking is one of the difficult but enjoyable and popular trekking routes Nepal. [Upper Dolpo](#) encircles by immense peaks including the Mt Crystal as well as many more peaks. By the way, it is trans- Himalayan region of mid- West Nepal. It takes you to the freezing settlement of legendary Shey Monastery beyond Phoksundo Lake. The Phoksundo Lake has turquoise blue colored water. And it is surrounding by dense forest and the snow-capped Himalayas. Upper Dolpo Trekking is much better camping organize trek so far.

## Dolpo

Actually, Dolpo is a region of the minority of Buddhist monasteries as well as those of pre-Buddhist religion of Bon Po. The Dolpo protects one of the last leftovers of traditional Tibetan culture. Located in the western north of Nepal near Tibet border. The geographically the region is still within Nepal but ethnically attached to Tibet.

Most significantly, a large region of Dolpo has been set apart as Shey Phoksundo National Park at 3,555 square kilometers. There you can spot blue sheep, Himalayan Black bear, leopards, wolves and the exceptional snow leopards. The path passes through a calm forest and lastly to Palam, a winter settlement used by the people of Ringmo village. The houses here are almost

buried in the sandy soil.

[Nepal Kailash Trekking](#) designs Upper Dolpo Trek for those who want to experience magnificent adventure. As well as it is for stumble upon attractive places, people, villages, valleys and serene forest of pines, oaks. The reason attractive because of rhododendron, the trek passes many enormous mountain ranges. To let you know, Dolpo is one of the most rewarding treks in the remote areas of Nepal, very rarely visited by an outsider. And it has herbal land, perfect trans-Himalayan culture as well as Buddhist monuments; distinctive human culture and trekking around the upper Dolpo is an unforgettable and the trip you can [end at Jomsom](#) taking more passes so far.

The flight to Juphal /Dolpo from Nepalgunj is an exciting, The Juphal airport is situated on a hillside above the river at an altitude of 2354m, a village and just below overlooking the deep Thuli Bheri valley. You will meet our support staffs for upper Dolpo trek and start the first day journey about three hours to Dunai. Dunai is a district headquarter of Dolpo district. Dunai is a large village with paved stone street lined with houses, several shops and some lodges. There is a school, administrative police check-post and government office. Overnight at tented camp, inclusive of full board meal.

#### **Day 05: Trek to Chekpa (2670m)**

The trail will follow a route of the confluence of the Thuri Bheri and Suli Gad rivers and turn to the north and toward the Suli Gad river. The trail is mostly keeping in touch to the River. You also walk through some nice villages like as Parella meaning eyelash, Rahagaon and Ankhe. Eventually, you will arrive at Hanke, which is also the entry point of Shey Phoksundo National Park. Overnight at tented camp, inclusive full board meal.

#### **Day 06: Trek to Renje (3104m)**

The trail begins with very excited, after crossing the river through well made bridges, then start a steep ascent on a narrow trekking trail hugging to the cliff face. Then descended to the river again the trail takes another steep ascent requiring frequently to watch the panorama landscapes a part of the Dolpok. Overnight at tented camp inclusive, full board meals.

#### **Day 07: Trek to Phoksundo lake (3620m), 6/7 hours**

The trekking trail is gradually steeply ascending. After leave the River, the path high above the water. You will ascend to a ridge about 3900m from where you can see amazing views of a waterfall. That will be your first view of Phoksundo Lake. Then descend through birch forests to the picturesque settlement of Ringmo village with Mani walls. To the lake just a short walk from camp. Overnight at tented camp, inclusive full board meals.

#### **Day 08: EXPLORE DAY!!!**

The day forrest and admire the beauty of Phoksundo lake. We also visit nearby villages inhabited by Bon and Buddhist Settlers. Overnight at tented camp, inclusive full board meals.

#### **Day 09: TREK to Thulodhunga (3750) 5/6 hours**

Today, follow the trail the edge of the Phoksundo lake. By the entering remoteness area starts adventure trail through wooden paved and climb up very steeply till to 4040m, and then descend again to the valley bottom to enter the torrent plain of the Phoksundo River and trek to night stop alongside the river, better to fixed the camp within the boundaries of the forest to avoid the worst of the wind which is prevalent in the valley bottom. Overnight at tented camp, inclusive full board meals.

#### **Day 10: Trek to Kangla high camp (4500m) 7/8 hours**

Today, several stream crossing trails, be prepared mentally for that. You continue along the stable level through a glacial valley. As trail gets more narrow, there are impressive vertical cliffs and contorted rock formations. At the flowing together of the Phoksundo with another stream and unnamed, mountain there is an old wooden bridge. A long trail climb leads you to a sheep meadow where the trail veers up a steep ravine. After strong walking bring you into another valley from, where can see the Kang La 5115m, the pass will lead you to Shey Gompa. Camping site will be before that pass (Kangla phedi west 4500m). Overnight at tented camp, inclusive full board meals.

#### **Day 11: Cross Kang La (5360m), then Shey Gompa (4343m) 6-7 hours**

After the end flood plain trail, then the trail goes steeply up. To be reached the top of the Kang La

takes approximately three hours. From the top however view is magnificent and well worth all the hard work what you earned by taking pictures. The elevation of the Kang La is providing different map different altitude, so it depends on the map uses for all region trekking of Nepal. Here, descending steeply to the valley down, about 45 minutes then a long meandering trek along the banks of the river. A red shorten heralds signified your are there at Shey Gompa where a quaint wooden log bridge brings up to the Shey area. Overnight at tented camp, inclusive full board meals.

### **Day 12: an Explore day at Shey Gompa**

Shey Gompa is a Bonpo monastery in Dolpo region of Nepal. Shey Gompa is called the Crystal Mountain . Shey Gompa belongs to the Chaiba community, Padmasambhava and Kagyupa sects. It was the first Kagyupa monastery, the founder was the lama Ten-szin-Ra-Pa. Shey Gompa was built during the 11th century. Shey is the famous for an ancient Buddhist culture. In Dolpo an ancient Tibetan way of life combines animism with the teachings of Buddha. Introduced Buddhism in the Dolpo valley by Drutup Yeshe. Many years ago, he came into Dolpo and came across a wild. The Crystal mountain distorted cliffs are laced with quartz and embedded with a rich variety of marine fossils. Shey monastery stands above the confluence of Kangju Nala and Yeju Nala. There is a group of prayer wheels which runs by water. Overnight at tented camp, inclusive full board meal.

### **Day 13: Cross Sela, (5100m), then Namdun Gaon (4400m) 7 hours**

Trekking trail lead a pleasant juniper track, the trail ascends to a gray, stony canyon. Afterwards, trekking path begins to turning up and down hill around the corner, over bare rocks and coarse eroded soil. Until an eventually brings you to a flat spot suitable for lunch. You then continue very steeply up about 25 minutes before traversing to the top of the Saldang La (another pass of upper Dolpo Trek). From here, trekkers can enjoy one of the great views towards an arid landscapes of Mustang and the distant snow peaks of Tibet. Then the trekking trail descent towards the north, which is long and exhausting but you finally come upon the welcome sight of pastures of grazing yaks and sheep and nomad. This signals your approach to Namduna Gaon. This village is similar Shey, the Namgung monastery is of the Karmapa sect. The monastery, which signified a red stone structure, it is built against the surroundings of a cliff on the north wall of a gorge. The monastery is washed by red and white color and stupas are the only color in this barren landscape. The village itself consists of only six stone houses and has terraced fields on both sides of the stream, which flows down to the Nam Khong valley. The economy of the region is based on agriculture, trading and animal husbandry. Dolpo farmers only one time a year can be grown crops, it is mainly barley and potatos. In some villagers field farms buckwheat, oilseed, potato and radish are also cultivated as a modern technology copied. Recently the main cliff temple collapsed and the villagers have already built a beautiful new monastery in the village. Overnight at tented camp, inclusive full board meals.

### **Day 14: Trek to Saldang (3770m) 3 hours**

Climbing a scary slope by leaving Namdung monastery. After sometime, begins a long, thrilling traverse along some dusty barren. See here, Looking down into the valley bottom, it is an apparent that the people have made best use of the lush valley, it is the neat cultivated showing bright patches of green and cultivated. You should ascend to 4700m and steep trek down before the picturesque village of Saldang . This is the biggest village of the inner Dolpo area. Though the village lies at about as high as Ringmo. It is a totally different landscape. Saldang is an arid zone of the Trans-Himalayan with Tibetan plateau. The village stretches for two kilometers , it is situated an open slope and consists with five villages nearly six hundred population. The villagers are only not depending to agriculturally, also for the strategic location on a trade route to Tibet The people of Dolpo, collect salt from the western plains of Tibet (dried lakes) north of Tsangpo. Overnight at tented camp, inclusive full board meal.

### **Day 15: Trek to Rakyo (3900m) 6 hours**

After leave Saldang, the trail leads down to the river bed pass through terraced fields, stupas, shortens, heaps of Mani stones and a Chaiba monastery. The next village is Namdo, also settled with sixty houses having about four hundred inhabitants. It does stretch for more than 5km on the high slopes to the left of Nam Khong Khola. The monastery of namdo is located near the river bed. There is also another monastery on top of a high cliff. Normally the camp near the small settlement of Sibü, right on the river bank. Overnight at tented camp, inclusive of full board meals.

#### **Day 16: Trek to Yak Kharka/Jeng La phedi (4400m) 4/5 hours**

The trail follows river valley which is fairly easy-going primarily. About two hours walk, there is another stream before turning into a side valley where the climb becomes sharp. As a whole maximum five hours walking you reach lunch place and night stop. This is a lovely meadow, with rocks, yak and other animal droppings. Overnight at tented camp, inclusive full board meals.

#### **Day 17: Cross Jeng La (5220m), then Tokyu Gaon (4220m) 6-7 hours**

Reach to the top of the Jeng La, takes about two hours. The trail is usually well-compacted making the going easier, but it is steep. You can pleasant good views of the massif Dhaulagiri, impressive in the morning light from the top of Jeng La. A rough trail descends towards the next village called Tarap valley. Around the afternoon time find a green valley, it leads you with enjoyable track down towards the Tarap Chu. Tarap is a valley with vast plains in high mountains extending along the river Tarap Chu. There are ten villages with cultivated fields, many monasteries and buddhism of both sects. Normally stop for the night at Tokyu monastery. Overnight at tented camp, inclusive full board meals.

#### **Day 18: Trek to Dho Tarap (4100m) 2 hours**

The path follows along the downhill of Tarap Chu in a plain valley with patches of lush on both sides of the river - it is totally different from the previous parts of inner Dolpo. Before Tokyu a short visit can be made to the Chaiba Gompa if you are interested. There are many, Mani walls and some of the shortens are in state of repairing. There is a 'French School', just outside the village of Dho Tarap where can be fixed camp. Dho is surrounded by an irregular stone wall and consists about thirty-four houses, divided into three clusters and built in a random way. Tarap is inhabited mostly cast of Magars who have lived here for since generations and sure also by a few Tibetans as well.

The people here, wear home-spun clothing that is sometimes dyed maroon and they favor with Tibetan style Somba (boots with upturned toes) for foot gear. Local people often wear here, both religious amulets and strings of coral and turquoise. Visiting up to the Buddhist Gompa is very worthwhile. Visit to Bon Gompa is about half an hour walking. So, Dho tarap is one of the interesting places of the Dolpo trekking. Overnight at tented camp, inclusive full board meals.

**Note: suggest to stay here one more night.**

#### **Day 19: Trek to Sim Odar/Serkam (3630m) 7 hours**

Trekking route leads you of the Tarap Khola, gradually descending downhill. You will be walking through narrow gorges with the river rushing. On the way, may see blue sheep, marmots, sheep, yaks and goats and meet people from Dolpo, their flocks of sheep and goats to lower pastures for the winter. Around afternoon brings you more wave in the path when it leaves the immediate visit of the river. Afterward, an improvements trail is, where some parts of the rock have been blasted out. You will also see steel made suspension bridges, it has been built to facilitate movement of people and animals after built the bridge. The trail track is narrow at this places. Overnight at tented camp, inclusive full board meals.

#### **Day 20: Trek to Laini/Khani Gaon(3370m) 6-7 hours**

Trail goes continue down to the gorge of the Tarap River, Path follows sometimes high above with a

narrow by the steep slopes. Today is an exciting day in deep and breathtaking gorge view. Tonight camp site is a pleasant meadow in the gloom of the trees. Overnight at tented camp, inclusive full board meals.

#### **Day 21: Trek to Satar/Tarakot (2540m) 4 hours**

Khani Gaon leaves by the suspension bridge and then walk alongside the riverside. Trail leads you by going high before reaching down to the river. The day brings you into a valley of the Barbung, you trek amongst the various crops of millet, sweet corn, barley, buckwheat, marijuana, green beans, and hot chillies. Tarakot is called by the local people as Dzong, Tarakot is known also an old fortress. An earlier than the Gorkha dynasty Tarakot was the capital and had a Dzong. There is a famous Sandul gumpa, it lies 8km east of Tarakot. At the junction of Barbung Khola and Tarap Chu, stands on a knoll to the south of Bheri River. At one time supervised for the trading caravans traversing region called Tichu Rong. There is another alternative to camping at Tarakot, camp can be down by the river as there are good cooking facilities with clean. Overnight at tented camp, inclusive full board meals.

#### **Day 22: Trek to Dunai (2140m) 5 hours**

The trail gradually descends. Trekking path beside the Bheri River you use the original path built twenty feet above the river. All the way lower comparing previous days and feeling going back to home. After reached to the village Dunai, the camp site probably same you used before. The time is completed the Upper Dolpo circuit trek! Overnight at tented camp, inclusive full board meal.

#### **Day 23: Trek to Juphal (2404m) 3 hours**

The trail which you have done already at the day of beginning. It is a celebration time by ending the dream trip of the life. It is a celebration time by ending the dream trip of the life Overnight at tented camp, inclusive full board meals.

#### **Day 24: Fly to Nepalgunj then connection flight to Kathmandu**
